Subject: CANDY WARNING- DANGER TO CHILDREN

The Elmira Police Department has information that another narcotic trend may be present in the area.

Illegal narcotic manufactures have designed a form of candy that appears very similar to standard sweet tart candies. The narcotic form may have actual imprints (generic or name brand) to assist in disguising the true identity of the substance.

The candy like doses have been found to have substances such as Xanax and Heroin.

Anyone with additional information is requested to contact the Elmira Police Department at (607) 737-5611 or the anonymous tip line at 271-4258.

Respectfully,

A handwritten signature in blue ink, appearing to read "Capt. A. Alvernaz".
