**ICS 100, NIMS 700, and Hazmat Awareness** are course requirements and must be completed on student's own time. Certificates of completion must be submitted to the I/C prior to the Practical Skill Examination in order to be eligible for the NYS Practical Exam. If you have previously completed these courses make sure you submit your certificate to the Instructor. If not completed by the Practical Skills exam you will be considered **ineligible** to take the Practical Skills exam and you will need to reschedule the practical and written exams after successful completion and submission of certificates.
