Re: Non-Transporting  
Emergency Vehicles

Page 1 of 1

Supersedes:

The North Country REMAC must approve the use of ALS non-transporting vehicles. Approval will require New York State certification as a BLS non-transporting vehicle and the following:

1. Written policy on securing medications from the environment and unauthorized use.
2. Written policy on emergency driving and how the response vehicle will be utilized.
3. List of members who will use the vehicle.
4. Ownership of the vehicle (agency or provider owned).
